

China Business Programs

Ever since the time of Marco Polo, China has been trading with merchants from the West. As once ancient seafarers depended on the stars to travel to the Middle Kingdom, the modern international business executives of today rely on China Professional Tours to guide them in the right directions when traveling for business.

Whether you are an individual business traveler or a member of a group interested in doing business in China, China Professional Tours coordinates comprehensive commercial programs and professional services including:

- **Business and Corporate Travel Arrangements**
- **Introduction to Doing Business with China**
- **Special Appointments with Government Officials**
- **Appointments with Business Leaders**
- **Meetings and Sight Inspections of Manufacturing and Operational Sights**
- **Scheduled Trade Show Information**

Professional travel arrangements include:

- **Visa Services**
- **Business Class International Air**
- **Hotel Accommodations**
- **Appointments**
- **Professional Interpreter Services**
- **Secretarial Services**
- **Local Business Office Access**
- **Executive Ground Transportation**
- **Airport Meet and Assist Services**
- **Local Tours**

Programs exist for groups with diverse interests in:

- **Import/Export**
- **Manufacturing**
- **Engineering**
- **Textiles**
- **Hospitality Industry**

To ensure your maximum comfort and enjoyment throughout your time with us, we have carefully selected a group of the finest hotels for your tour.
